

GREEN FOR LIFE
environmental

June 19, 2025

Dear Bentley Township Resident,

GFL Environmental is thrilled for the opportunity to be the waste service provider for Bentley Township starting July 2025. We would formally like to introduce ourselves and welcome you to our family. We are a company that has serviced Michigan for over 40 years. While our business has grown and evolved, our commitment to providing excellent customer service has remained the same. We are excited to extend our services to you!

We will be using a sub-contractor to deliver new GFL totes to your place of residence starting the week of June 23, 2025. Your current provider will service the old totes until our first pick up on July 7th for Trash. We will only service your new GFL totes. **Please DO NOT continue to use your old provider's totes after July 5th.**

To ensure timely service, please have your totes curbside the night before or by 6am the day of service. As a Bentley Township resident, your service will include:

- Delivery of a 96 gallon Trash Tote (Black with Green Lid)
 - o **Weekly Trash** pickup on **Monday's** starting, the Second week of July 2025
- **1 Large Item Removal Curbside** on a weekly basis

Please see the Calendar on the back of this letter for your pickup schedule. If you require a second tote you will need to contact our office at 989-588-6000. The price for the second tote will be \$65/year.

American Waste/GFL Environmental prides itself on customer service and we look forward to extending excellent service to Bentley Township residents beginning the second week of July, 2025. For further questions regarding your service with American Waste/GFL Environmental you can reach our local office at (989)588-6000.

Sincerely,

GFL Environmental USA Company
